A New Covenant

The Bible speaks of a covenant between God and His people. It is
absolutely essential that we look at the nature of this covenant in
seeking to understand the Mark of the Beast. The new covenant promise is
that God will write His into our and And that
He will remember our no more. See Hebrews 8:8-12. Your mind
(which has its seat in the brain) is right behind your The frontal
lobe of the brain is where moral decisions are made. It is where our character
resides, and where decisions related to character are made. This agrees
perfectly with what we saw in Deuteronomy 6 doesn't it? (Remember,
Deuteronomy 5, the chapter just before chapter 6, is one of two chapters that
list all of the 10 Commandments!) God puts His law, His name, His character
into our minds and hearts! How? By the power of the Holy Spirit, of course.
Our obedience is in to God's mercy. Our obedience does not
salvation for us. It shows that we have received God's salvation by
God writes His law—a transcript of His holy character, His holy
name—into our minds! We are sealed with God's character by God's Spirit.
God is our authority and King, not the traditions of man. We have the seal of
God's righteousness and law, not the of the beast's authority and his
law. Simple. See John 14:15; Revelation 12:17; 14:12; 22:14; Isaiah 8:16;
Daniel 3; 6; Ezekiel 8; 9

- So who are you taking orders from?
- Whose authority are you under?
- · Whose law are you going to obey?

Discover: How Not to Get the Mark of the Beast

The Mark of the Beast is one of the most serious and misunderstood, subjects in the Bible. Since we have already identified the Beast of Revelation 13, we need only to discover what his *mark* is. After all, the mark of the beast is just that: *the mark of the beast*. That is, it is the *beast's mark*. Once the beast has been Biblically identified the matter of uncovering his mark becomes almost elementary, as we shall see...

Don't Forget the Issue...

As we study the topic of the mark of the be	east, we must bear in mind what we
have learned from our past studies of Rev	elation. First, we have learned that

God's Seal Versus the Mark of the Beast

In order to understand the mark of the beast, we must _____ understand God's seal. These two are the opposite of one another. If you have one, you cannot have the other. The issue, then, for the believer, should be about ensuring that he/she does have *the seal*. In short, the seal of God should be the primary focus, not the mark of the beast. In obtaining the seal one is guaranteed that he/she cannot also receive the mark of the beast. Let us first, then, seek to understand the seal of God...

The Seal and the 144,000

The 144,000 spoken of in Revelation 7:1-4 and 14:1-5 all have the seal of God in their forehead. Note that the mark of the beast can be received either in the
