

Greetings Friend!

We hope this message finds you filled with hope and encouragement from our Lord. Even when surrounded by trials or stress, God can reach us and replace those feelings with perfect peace from Him, which surpasses all understanding. (Isaiah 26:3; Philippians 4:7)

Have you tuned into Good News TV recently?

Each thought-provoking, Christ-centered program on Good News TV is designed to introduce our viewers to our loving Savior, challenging and encouraging us all with truths of the Scripture. Good News TV then localizes the channel, inviting our viewers to connect with one of our local church families. Check out our **September TV guide** [HERE](#).

Perhaps you want to share Good News TV with your friend or neighbor.

GNTV broadcasts on antenna throughout Phoenix-metro area, as well as Payson, Prescott, Yuma, and Flagstaff Arizona. It also broadcasts in Dallas-Fort Worth, Texas, and will soon be broadcasting in Atlanta, Georgia.

In addition to that, we broadcast 24 hours/day through an **internet stream** on our website at MyGoodNewsTV.com. Our channel can also be found on **Roku** and **Apple TV**. And now we just introduced our Good News TV App on **Amazon Fire TV**. [Visit our website](#) to learn how you can start watching our English or Spanish channels on your TV. Tell your friends!

We continue to receive calls from our viewers who respond to free offers and Bible studies, program schedules, prayer, and for directions to a local church. Our viewers tell us what a "blessing" and "lifeline" the channel is in to them. Praise the Lord!

In order to become even more effective,
we are excited to share that
our very first full-time

employee started with Good NewsTV this month! Dennis Kamberg is our new production manager/editor, who will help us produce and edit creative content, targeted specifically at reaching our viewers' hearts for Christ. We praise the Lord for making this possible through the generous donations given specifically for this cause...

Thank you!

Another announcement coming up... In our next newsletter, we will be unveiling another aspect of our ministry that we've been working to upgrade in the background for several months. Until then, we pray that God may bless you as we work together to win souls for Jesus.

Thank you for your prayers and support!
